After a brief meeting our program will be

"Up in Smoke! What to do When the Courthouse Burns"

Presented by Peggy Clemens Lauritzen, AG

All is not lost when we learn that the county courthouse has burned. This lecture will look at alternatives for research in these "burned counties". War and natural disasters have taken their toll on many of our nation's county courthouses. Let's look at some helpful sources that may still exist.

Biography: Peggy Clemens Lauritzen, AG, was involved in genealogy before she was even born. The daughter of avid genealogists, she was spending time in courthouses and cemeteries while other children were playing on swings and going to the beach. The love of her family's history has never left her. With her experience as a former Family History Director, she is a frequent speaker at genealogical societies, workshops and seminars, where she loves bringing genealogy to life.

¹ GoToWebinar keys will be emailed to NCAC APG members the week before the meeting for log-in.
